COVENTURE is a 501-c3 non-profit organization based in Carbondale, Colorado. We've built a vast network of strategic partnerships, connecting people and ideas, for one purpose:

to succeed together.

We're here to build economic resiliency in the Roaring Fork Valley we call home, and throughout rural communities nationwide. We're here to provide educational programming, on-the-ground and in-the-weeds support, meaningful networking opportunities, storytelling platforms and a place to grow.

Your support powers our mission

to empower rural communities to build
sustainable businesses and ecosystems
through tactical solutions and engagement.
